Personal Profile

Highly motivated and safety-conscious EASA Commercial Pilot (CPL/MEP/IR) with MCC & JOC qualifications. Demonstrates strong situational awareness, excellent communication, and a commitment to continuous professional development within a commercial airline environment.

Work & Training Experience

Design of Training Instrument Charts

Nortávia - Volunteer • Oct 2025 - Present

Executed the redesign of Nortávia's flight school chart collection. Designed clear, learning-focused instrument charts aimed at improving the learning curve for cadet pilots during their initial instrument flight training. Collaborated with the Deputy Head of Training and Deputy Chief Flight Instructor to align the charts with the institutional and students' needs, ensuring an optimal learning experience.

Airline Transport Pilot License (Integrated)

Nortávia - Training • Jan 2024 - Jun 2026

ATPL(A) Theory

- 850h of ATPL theoretical training
- Passed all 13 ATPL subjects on first attempt

Final ATPL Average: 94.5%

Flight Training

- 228h of training;
- SEP (Land), CPL(A), MEP(A), IR(A) PBN/ME - All first-attempt passes
- Aircraft: Cessna 152, Cessna 172S/R, Tecnam 2006T, Cirrus SR20 G7 TRAC
- Advanced UPRT (FCL.745.A) & Night Rating
- MCC (FCL.735.A) & JOC (24h)

Education

High School

Escola Secundária Eça de Queirós • Oct 2021 - Jun 2023

English Course

KNN Idiomas • Aug 2019 - Jun 2021
