## Personal Profile

Proven track record in complex environments, executing systematic procedures, and collaborating across multidisciplinary teams. I am an adaptable team player, eager to apply my rigorous training into my career. I bring strong situational awareness, composure under pressure, and a commitment to high-standard execution of tasks.

## Work & Training Experience

### Design of Training Charts

Nortávia Flight School - Volunteer • Oct 2025 - Present

Executed the redesign and standardization of the organization's training charts for student pilots, transforming complex learning objectives into efficient, executable flight procedures. In direct collaboration with senior training leadership, including the Deputy Head of Training and Deputy Chief Flight Instructor, delivered an intuitive, learning-focused training experience across all training levels.

### Airline Transport Pilot Program

Nortávia Flight School - Apprenticeship • Jan 2024 - Jun 2026

#### Theoretical Training

- Completed 830+ hours of full-time technical ground training covering advanced technical disciplines.
- Graduated with a 94.5% average across 13 complex technical disciplines, passing 100% of them on the first attempt.

#### Flight Training

- Logged 228 hours of practical flight training, earning Commercial, Multi-Engine, and Instrument ratings with all first-attempt pass marks.
- Completed specialized Multi-Crew Cooperation (MCC) training, focusing in Crew Resource Management and High-Performance Teamwork.

### Social Media Manager

Iper Idiomas - Part-time • Feb 2020 - Aug 2020

Developed and executed multi-platform social media assets for Iper Idiomas, aligning the school's brand identity with institutional and promotional communication goals to expand digital reach.

## Education

### High School

Escola Secundária Eça de Queirós (Portugal) • Oct 2021 - Jun 2023

### High School

Escola de Ensino Médio Felipe Camarão (Brazil) • Feb 2020 - Sep 2021

### English Course

KNN Idiomas • Aug 2019 - Jun 2021
